

# Preschool News

Tri-Town Early Childhood Program

Old Rochester Regional High School

April 2016

## Greetings!

Just as we had finished our March weather graph by adding a few lamb days, April came in like a lion! Still we are noting signs of Spring and the new life it heralds. The bulbs we panted in the fall are emerging, buds are ready to burst on trees and bushes, earthworms have made their way up through soggy ground, even the returning ants have delighted us!

## News and Announcements

We were fortunate to have Oliver's baby chicks, Grace's puppy, and Elsa's two year old dog all visit before the pet shop closed. We've thought a lot about animals that are hatched and those that are born and have begun to explore the concept of living and non-living as spring unfolds. We've been busy artists working in the style of the masters and some of us enjoyed exploring the ORRHS set for theater arts. Our Hair Care Place has opened and its busy stylists are helpful preparing clients for productions of their own, while a flower shop in the block area sets the stage beautifully as we imagine what lies beyond these April showers!

# What's Ahead

Student teachers will begin to present their lessons in science.

We will think about life cycles and observe metamorphosis.

We will engage all of our senses enjoying spring walks and scavenger hunts.

## FYI

Schools are closed for spring break April 18th-22nd.

April 27th is a professional development day. ALL preschoolers will be dismissed at 11:00.

April 29th is our field trip to Heritage Museums and Gardens. Please confirm your attendance and provide payment by April 15th if possible!

May 5th the high school student teachers are hosting an art show from 11:00-12:00.
