March 2016

## Greetings!

Our clocks have sprung ahead providing us longer hours of daylight, we are watching the first flowers emerge from winter's hold, and we are graphing lion and lamb days; spring is just around the corner and we are ready to engage our senses and experience all of the new season's delights!

## News and Announcements

We have been enjoying a celebration of Seuss since his birthday on March 2nd! Cooking green eggs and ham, mixing up oobleck, making cat's hat pizza, Lorax and cat masks, and Thing one and Thing two, are just some of the fun activities that have accompanied our reading of many many books by the beloved author. In addition to thinking about the jobs of 'author' and 'illustrator', rhyme has also been a topic of discussion as we've thought about sounds, words, and sentences written by silly, silly Seuss! Our Pet Care shop houses a variety of animals your children are welcome to leave here in a cage as we think about wild and tame animals and their habitats.

# What's Ahead

Student teachers will present their art lessons as we explore the concept of ART!

We will observe the arrival of Spring and learn about seasonal changes.

Our Hair Care Shop will open.
